

This is to Certify that in April of 2008, Bill Allen rode a 2002 BMW R1150RT a total of 1,720 miles in less than thirty-six hours starting in San Juan Capistrano, California continuing on to Phoenix, Arizona, Albuquerque, New Mexico and Oklahoma City, Oklahoma before ending in Branson, Missouri while participating in the Bun Burner 1500.

*The Bun Burner 1500 was conducted under very strict guidelines set forth by the Iron Butt Association. Only a handful of riders from around the world have managed to solve the challenges such a grueling ride involves.*
